Dear Ms. Scott:

RE: Hilary Ross
D.O.B. 27-January-1989
CHEO # 006170385

Hilary Ross has been a patient under my care at the Children's Hospital of Eastern Ontario since her admission on November 27, 2003.

Due to her illness, Hilary has been unable to attend school since her admission to hospital. As part of her discharge treatment plans, it is the treatment team's recommendation that Hilary be provided with home schooling, **to begin immediately**. We would strongly support any assistance you can provide Hilary, in order for her to continue and maintain her academic studies.

Should you have any questions or concerns, please do not hesitate to contact my office at 737-7600 x 2703.

Sincerely,

H.M. Gandy, M.D., F.R.C.P.(C)
