A Commissioner, etc.

I, Robert Alfred Southwick, of Dunrobin, Ont. am acquainted with Catherine Lois Eleanore Ross. This statement was prepared by Bill Ross based on interviews with me. I worked together on this statement with Bill until I felt my views were accurately reflected.

I am a neighbour of Bill and Catherine. In the summer of 1991, I was over helping Bill with some renovation work. I was there all afternoon until late in the evening. I stayed for dinner and later we watched some movies.

The only thing I remember about that day is that Catherine was extremely verbally abusive to Bill. She treated him like a puppet. It was Bill do this, Bill do that. She called him an asshole in front of the kids. Bill did all the caring for the children. I don't remember Catherine interacting with the children at all, except to feed them in front of the TV. We ate late (after 9:00 PM), after which Catherine immediately went to bed. The rest of the evening was much more pleasant after Catherine left. As I left, I thought, you would never find me in an intolerable situation like Bill's. I guess it's different when there are children to consider.
