

VICTORIA P. RUITER,
15 SUNDANCE CRT.,
NEPEAN, ONTARIO

TO WHOM IT MAY CONCERN:

I have known Cathy Day Ross since 1980. Over the years I have seen her develop from a young shy girl into a mature and responsible woman. To the best of my knowledge, she has always been a loving, caring and supportive Mother to her children.

I believe Cathy is not only a fit parent, but also an essential ingredient in her children's healthy development.

Sincerely,

Victoria P. Ruter
