Explanation of changes and other important information

DM8HP27T

This notice explains the results of our assessment of your income tax return and any changes we may have made. Please refer to the "Summary" area for additional information.

We have used the information in our records to prepare an assessment of your federal and provincial taxes payable for 2005. If you disagree with the amounts shown on this notice, please complete a tax return. Send it, together with all the necessary documents, to the tax centre above.

We assessed you a late-filing penalty of \$764.93. This is 17% of your unpaid tax as of April 30, 2006, and is included in the amount on the penalties line.

Your balance owing includes arrears interest which is compounded daily at a prescribed rate. We have calculated this interest from the due date of your balance to the date of this notice.

We are mailing to you separately your assessment notices for two or more taxation years. The notice for the latest taxation year will show your combined total refund or balance owing. We will send you any refund to which you are entitled after we have assessed all your returns.

If you have any questions about your assessment, please call our Enquiries service at 1-800-959-8281. If you need to contact another area of the Agency, see the telephone listings in the government section of your telephone book.
